Order number:	AT1974
EAN:	8712259220468
Halogen free	Yes
Amount Packaging	4 x 25 st.
With label window	No
Mounting method	Module frame
Material	Plastic
Surface protection	Untreated
Colour	Grey
Type of fastening	Engage (snap)
Material quality	Thermoplastic
Transparent	No
Surface finishing	Matt
Number of modules (module system)	1
With hinged lid	No
Suitable for degree of protection (IP)	IP20
Assembly arrangement	Modular device for domestic switching devices
Utilization	Modular Jack
Support ring	Yes
With dust cover	No
Imprintable label	Without indication field
With imprint	No
With strain relief	No
Luster terminal	No
Dispatch	100

The Consolidation Box from Attema makes it possible to install ICT cabling in a flexible manner, because the installation is divided into two steps. The largest portion of the work takes place during the rough construction, at the same time as the other cabling is installed in the building. As a result, you only have to install a small portion of the ICT cabling during the finishing phase. The Consolidation Box complies with the installation standards of EIA/TIA 568A/B, ISO 11801 and NEN-EN 50173.
