- Version 'L' has a label window for attaching an encoder strip.

Article no:	AT1976
EAN:	8712259220505
Amount Packaging	4 x 25 st.
With label window	No
Mounting method	Module frame
RAL-number (similar)	7035
Material	Plastic
Halogen free	Yes
Type of fastening	Engage (snap)
Colour	Grey
Material quality	Thermoplastic
Surface protection	Untreated
Surface finishing	Matt
Transparent	No
Device width	27 mm
Device height	28.4 mm
Device depth	10 mm
Assembly arrangement	Modular device for domestic switching devices
Utilization	Modular Jack
Support ring	Yes
With dust cover	No
With hinged lid	No
Outlet direction	Straight
Contact type	-
Imprintable label	Without indication field
With imprint	No
Anti-bacterial treatment	No
Number of modules (module system)	1
With buses/couplings	Yes
Suitable for number of connectors	1
Isolated connections	Yes
With strain relief	No
Shielded buses	No
Shielded housing	No
Luster terminal	No
With lighting	No
Suitable for degree of protection (IP)	IP20
Impact strength	-
Min. depth of built-in installation box	
Dispatch	100

The Consolidation Box from Attema makes it possible to install ICT cabling in a flexible manner, because the installation is divided into two steps. The largest portion of the work takes place during the rough construction, at the same time as the other cabling is installed in the building. As a result, you only have to install a small portion of the ICT cabling during the finishing phase. The Consolidation Box complies with the installation standards of EIA/TIA 568A/B, ISO 11801 and NEN-EN 50173.
