Amount Packaging	25 st.
Mounting method	DIN (top hat) rail/combination-rail/C-rail
Dispatch	25

By carefully monitoring market requirements, Attema has been able to develop an innovative glass fibre management system with splice trays. Its universal character is shown in particular by the simple snap-in attachment on a standard mounting rail, making it applicable for every housing. The capacity has been doubled cleverly, thus fitting 12 ANT splice protectors in a compact splice tray of only 4 mm high.
